Thank you for choosing **CORE Kids Academy** for your child's special day! Our goal is to make this party as safe and fun as possible. As the Party Parent, it is your responsibility to be familiar with the party policies and procedures. We will need your help to make this a wonderfully fun and safe day!

- Please arrive no earlier than 15 minutes before your party time for set up and party preparation. Because we have back to back parties occurring, if you arrive earlier than 15 minutes prior to your party time, you might have to wait for another party or event to clear out before you can enter the lobby or party room area.
- Our party package includes fun for up to 15 children including the birthday child. If more than 15 children are out on the floor, there will be a \$10 fee per child. If more than 20 children will be attending the party, one week notice to CORE Kids Academy is required because a third instructor will be necessary for your party. A fee of \$25 will be issued for a third instructor, in addition to a fee of \$10 per child over 15.
- We will be out on the floor for the first 60 minutes of the party and in the party room for 30 minutes. Because we clean up the party for you, you must make sure that all party guests have vacated the party room and lobby no later than fifteen minutes after your party has ended. If this fails to happen, there will be a \$30 additional fee.
- Children age 2 and younger must be accompanied by an adult at all times on the floor. If a child needs help using the restroom, it is the responsibility of the child's parent or the party parent.
- Please note that we provide the invitations and two energetic instructors to set up the party room, instruct the party, clean up the party room, and even load your car! If you have chosen our Basic Package, you must provide all food, paper products, and cutlery. We do not have a refrigerator on site or access to a microwave/oven.

Thank you again for choosing CORE Kids Academy!
